

Large snake seen in the Quigley Road area.
Aug 29, 2011

For Your Information.

The town has received word that a very large snake was seen in the Quigley Road area. It is not a snake indigenous to the State of Wisconsin. If you see the snake, call a Town Board member to report the sighting and location. It would be advisable to watch your small pets and children when they are out side in the Quigley Road area. Call Julia for more information. (920)685-2686.
