

Changes to Curb Side Pickup.
Dec 14, 2012

Dear Town of Poygan Resident:

This letter is to inform you that there will be significant changes to your trash and recycling service. We are happy to tell you that Advanced Disposal Services (formerly Veolia Environmental) and the Town of Poygan have come to an agreement for Advanced Disposal to service both the trash and recycling for the entire town.

You will receive two carts, one 95-gallon cart to be used for trash and one 65-gallon cart for all of your recycling. You are no longer required to separate your recyclables; all recycling may be placed in the same cart. These carts will be delivered to your home the week of December 17th-21st. Use of the carts will begin January 1st, 2013. Your trash cart will be emptied every week on your day of service, and your recycling cart will be picked up every other week (see attached calendar). Volumes will be restricted to what can fit inside your carts and use of the carts is required. Carts must be curbside by 6:00 AM.

Poygan will be split into two different pick up days. All homes NORTH of CTY RD D will be picked up on WEDNESDAYS. All homes SOUTH of CTY RD D will be picked up on FRIDAYS. If your home is on CTY RD D and you are on the North side of the road, you will be a Wednesday pick up. If your home is on CTY RD D and you are on the South side of the road, you will be a Friday pick up. There is a map showing service areas available also.

When a holiday falls on or before your pick up day, all services will be delayed by one day. For example, New Year's Day is on Tuesday in 2013, so all homes North of Cty Rd D will be serviced on Thursday, January 3rd and all homes South of Cty Rd D will be serviced on Saturday, January 5th.

If you have any questions, please contact either the Town of Poygan or Advanced Disposal Services. We look forward to making this partnership a success.

Town of Poygan – 685–0552

Advanced Disposal – 685–6666
