

Burglaries in the area.
Dec 17, 2010

I wanted to inform you of the recent burglaries that have been occurring near your neighborhoods. We have had five burglaries so far reported with the same MO. The suspects are forcing their way into the homes during the early evening hours. They are forcing their way in through back doors and service doors. Items they are targeting are TVs, jewelry, cash, and medications. Homes that were hit are in the 4600 block of Poygan Ave, 8200 block of Liberty School Road, 8500 block of County TK K, and on Nathan Ct near Omro. There was also one reported in the 2500 block of County TK FF just north of Hwy 91. Please pass this information around to your watch members and be on the lookout for ANYTHING that is suspicious! These criminals are going to continue until caught. Please remind your watch members to keep all lights on around their properties during all hours of darkness and to keep doors and vehicles locked. I have attached some information about keeping your home safe. If you have any questions or need anything please let me know! With the holidays in motion, now is the perfect time for these criminals to take advantage of us. Please do what you can to protect yourself!
