Crime Watch Alert

March 31, 2012, between 0230 and 0345 hrs. in the Town of Algoma two people went around pulling mailboxes out of the ground, moving around items in peoples yards, destroyed a arboretum, and stole some smaller items. It appears they came from Oakwood Circle, down Omro Road West, South on Honey Creek. Just be aware if you see kids walking around late at night they might be up to no good. Also there has been a phone scam going around. People will find out relatives names then call a person saying their relative is in danger and they need money. Just inform people to contact police if they have any questions whether or not they believe a family member might be in danger. Thank you again,

Deputy Clint Czerwinski
