Scam Alert

The Sheriff's Office has recently been made aware of another scam that is going around. This is the Ammy scam. Someone will call and claim your computer has a virus and direct you to a website called Ammy where they will be able to remotely access your computer. Once this is done, they will have access to EVERYTHING you do on the computer. Remember to NEVER give any personal information over the phone and you can always just hang up!. Click on the link for more information! <http://blog.sisq.info/en/2011/10/18/ammy-scams/> Please pass this information on to your watch members and families and friends.

If you an have any questions please let me know.
