If you are missing your dog or find a dog, please call a town board member, we do not have an Animal Control Officer. Warm weather brings abandoned pets from the cities. A post with reflective numbers was installed in a consistent manner at each address. If you did not receive an address sign, please call John Meyerhofer at 582-4322.

SPRING CLEAN UP

As the snow melts and the sun starts to shine, we all have the desire to be outside. Ditches and public areas often gather debris over the course of the year. We would appreciate your help keeping our community clean and in picking up trash or debris when you see it.

CURB SIDE GARBAGE AND RECYCLING PICK UP

January 1, 2013 the Town of Poygan began offering curbside garbage and recycling pick up. In the past, the Town of Poygan provided a monthly drop site for residents to recycle their recyclables. This was very successful and economical. The town did not offer any garbage service to its residents and property owners. The Town Board was asked several times over the years to offer this service. In 2012 the Town Board was asked again to provide garbage service for the town. After months of discussion and a survey, the Town Board voted to provide curbside garbage and recycling pick up. It was a very difficult decision, but they felt it was in the best interest of our town, the environment, and our residents to offer this service.

The contact number for Advanced Disposal is (920) 685-6666.

ELECTIONS

Local election results were posted on the town's website on election night. Two hundred ninety nine people cast their ballots in Poygan on April 2, 2013.

It has been an interesting and busy election cycle, culminating with our local election. Chairman Martin Johnson and Clerk Julia Reinert ran unopposed. Three candidates ran for the two supervisor positions. Incumbents John Meyerhofer and Ronney Flegner and challenger Ron Green. John Meyerhofer received 169 votes. There were only two votes separating Ronney Flegner and Ron Green. A recount was held on April 5, 2013 and the election results stood. Ronney Flegner had 147 votes and Ron Green had 145 votes.

The treasurer's position was won by the incumbent Trina Herbst-Gutche. Trina ran as a registered write-in candidate. Challengers on the ballot were Dennis Lenz and Dianne Wex. Dennis Lenz received 84 votes and Dianne Wex received 56 votes. Your vote does count and it is important to execute your right to vote for every election. ANIMAL LAND AND BUILDING REQUIREMENTS

Winnebago County Land and Water Conservation permits are required for buildings that will house stable animals. Town Zoning Ordinances also require specific lot sizes for stable animals. Properties housing farm/stable animals must register their premises with the State of Wisconsin.

TOWN ASSESSOR

Betty Bradley has retired. Troy Zacharias, of Action Appraisers and Consultants, Inc. is the Assessor for the Town of Poygan. Please be aware the Town Assessor has the right to request to see all properties in the Town. If they are denied access, they will base their assessment on the limited information available, such as exterior measurements and general knowledge of the property. To ensure they are able to accurately complete their job, your cooperation is appreciated.

CONTROLLED BURNS

The burning of any structure in the Town of Poygan requires a burning permit issued by the Winneconne/Poygan Fire District. The Sheriff's department should also be notified of any controlled burns larger than the size of a campfire (brush, grass, etc.) The phone number to contact them at the start and end of the burn is 236-7300. Petroleum based products (tires, shingles, etc.) cannot be burned. Doing so can result in a fine from the Town of Poygan, the Department of Natural Resources or both.

BRUSH CLEARING

A sixteen-foot right away and a four-foot overhead clearance are required for emergency vehicles to access a location. Please ensure that brush and other obstacles are properly removed to allow this access. The Town of Poygan also does brush cutting along town roads for visibility and to ensure safety in the Town. Locations for brush cutting are determined based upon the need in a specific area and budget availability.

FIRE DEPARTMENT

Please continue to support The Winneconne/Poygan Fire District. Chicken Fun Night is held every year in January at the Fin and Feather. This year's event brought in about \$7,000.00. Watch for the Second Annual Fall Dance in October to be held at Woodeyes Bar and Grill in Winneconne. Join the fun and support your local fire department.
